

TVFCU Launches Online Car Buying Center

Looking for the perfect car just got a lot easier with our online Car Buying Center at tvfcu.com that compiles new and used inventory of preferred dealers throughout the Tennessee Valley.

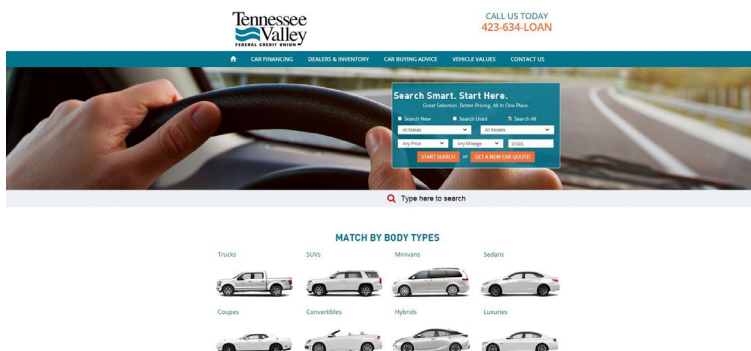

“Car shopping should be a fun experience and not stressful,” said Melody Dawson, dealer relations manager at TVFCU. “The Car Buying Center empowers our members to be more knowledgeable about buying a car — what the process looks like, vehicle pricing and more! This product is an additional value-added resource that will enhance our members’ car shopping experience.”

Our research shows that approximately 9 out of 10 shoppers conduct online research before deciding to visit a local dealership. Our preferred dealers have more than 4,000 vehicles in stock. Their inventory listed on the website is updated on a daily basis and is available here locally.

To access the Car Buying Center, visit tvfcu.com. Then click on “Loans” and “Personal Loans.” And once you find the right car, call (423) 634-LOAN to get approved!

Car Buying Center Features

- Search for new or used vehicles
- Search by make, model or match by body types
- Search for a specific dealer or location
- Obtain price quotes from our preferred dealer contacts

Student Loans to Help with College Expenses

School bells will soon be ringing and TVFCU wants to lessen the financial stress.

TVFCU is proud to work with Sallie Mae to help students pay for college expenses not covered by scholarships and federal loans. Several loans are available, including the Sallie Mae Parent Loan.

The Sallie Mae Parent Loan gives parents or any creditworthy individual (including spouses, family

members and guardians) another option for financing their student's college expenses. This loan, in your name, lets you enjoy a choice of repayment options. Plus, the interest paid may be tax deductible.

Student Loan Features

- No prepayment penalty
- No origination fee
- Borrow up to 100% of your student's school-certified cost of attendance
- May be used for undergraduate or graduate expenses

Visit tvfcu.com for more information. We hope you have a great school year!

27th Annual Used Car Night is TVFCU's Longest Running Event

As fans enter the Chattanooga Lookouts' stadium on Saturday, Aug. 10, they will anticipate a great baseball game against the Jackson Generals. They'll also cross their fingers in hopes of winning one of ten used cars donated by area car dealerships.

Participating dealerships include: Acura of Chattanooga; Capital Toyota; Crown Chrysler, Dodge, Jeep, Ram and Fiat of Chattanooga; Long of Chattanooga, Mountain View at 153; Mountain View Chevrolet; Mountain View Chrysler, Dodge, Jeep and Ram; Mountain View Ford; Mountain View Nissan; and Mountain View Nissan of Dalton.

"We are proud to have partnered with the Chattanooga Lookouts for 27 years," said Melody Dawson, TVFCU's dealer relations manager. "The community's support is what makes

this event so special. We've heard great stories from winners who have won a car and what it means for their family. Oftentimes, it is a second vehicle."

Fans must be at least 18 years old and have a valid driver's license to enter.

We look forward to seeing you at the game!
