

Fourth Quarter 2022 Currents

TVFCU is Growing!

Now serving four more counties in North Georgia

TVFCU is excited to announce the addition of Chattooga, Gordon, Murray and Whitfield counties to our service area. Anyone who lives, works, worships, attends school or volunteers in these counties is now eligible to join the credit union and experience the TVFCU difference.

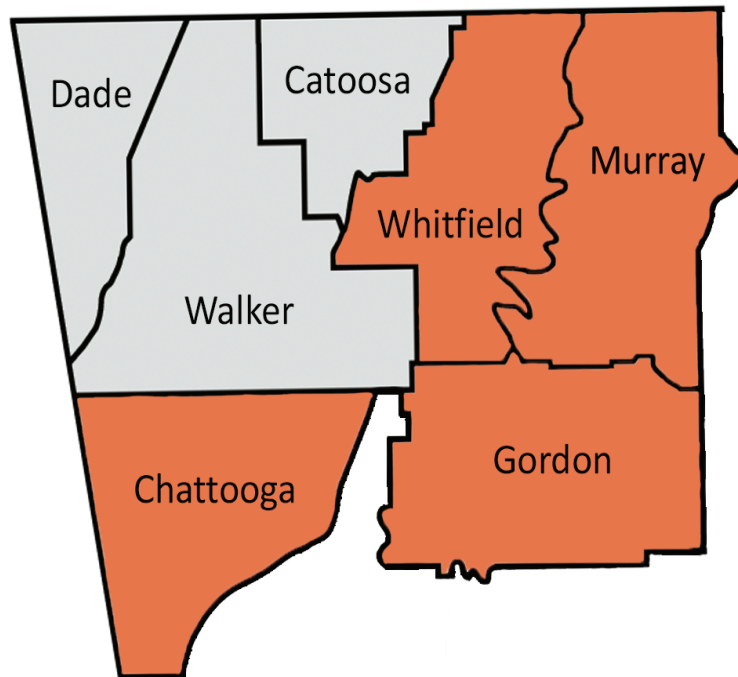

“We are both humbled and delighted as we extend TVFCU’s services to new communities across North Georgia,” said Todd Fortner, president and CEO.

“As always, we remain dedicated to supporting our members’ financial health and enhancing their lives through outstanding products and services, friendly and efficient service and an active presence within local organizations and community events.”

Through the credit union’s innovative use of technology in member service, TVFCU is prepared to serve new members before any branches are built in the community. Opening accounts and banking online is easy at tvfcu.com, which also offers a listing of nearby surcharge-free ATMs. Applying for a mortgage or

loan is convenient, and our tvfcuLIVE Stream service offers direct access to a TVFCU personal consultant through video chat on our website or free mobile app.

Anyone can call the tvfcuLIVE Line at 423-634-3600 to learn more about the credit union or apply for a loan by calling 423-634-LOAN.

While these convenient options make banking easy even without a physical branch location, TVFCU is committed to expanding the credit union’s branch network to meet the growing needs of our North Georgia counties. TVFCU currently has four Georgia locations open to the public, including branches in Fort Oglethorpe, Chickamauga, Ringgold and inside the Food City on Highway 41.

TVFCU is taking a proactive role by joining the chambers of commerce in these counties and you may see us participating in local community events. We are looking forward to making new friends, serving new members and becoming a good neighbor in the community!

TVFCU Voted Best Credit Union and Best Mortgage Lender for 2022!

TVFCU is incredibly grateful for all who voted for us this year. We are honored to have been named Chattanooga's Best of the Best Credit Union for the past 15 years in a row! The award is based on the votes of community members in Chattanooga's Official People's Choice Awards each year.

"TVFCU is committed to the community we serve. We want to be a helping hand to all of our neighbors by providing innovative services, friendly support and financial education resources," says Tammy Zumbrun, marketing and community outreach manager.

TVFCU is also proud to be named Best of the Best for mortgage lending in 2022. The TVFCU Mortgage Lending Team demonstrates our community-oriented focus, working hard to meet the unique needs of members and often doing what other financial institutions cannot do.

Eric Weekly, the VP of mortgage lending, affirms, "We know what it takes to build a business, establish a home and grow our valley together. Our dedicated and well-established team exists to serve you."
