## Branching Out: TVFCU's Exciting Plans for Expanding Member Services!

Get ready for an exciting year ahead as we embark on a journey of growth and service enhancements!

We are thrilled to share the details of Tennessee Valley Federal Credit Union's expansive plans for 2024, aimed at providing you with even more convenient and accessible banking options.

### **Chatsworth Branch Grand Opening:**

As the spring season unfolds, we are eagerly anticipating the grand opening of a state-of-the-art TVFCU branch inside the remodeled and expanded Food City in Chatsworth.

### **Ocoee, TN Expansion:**

Construction is underway for a Food City store on U.S. Highway 411 in Ocoee, TN. This development includes plans for an in-store TVFCU Branch. We anticipate this expansion will be a game-changer for our members in eastern Bradley and Polk counties.

### **NW Cleveland/Georgetown In-Store Branch:**

To meet the growing needs of the Cleveland and Georgetown area, we're planning an in-store branch in the new Food City currently under construction along HWY 60, next to Candy's Creek Cherokee Elementary.

### **Dalton Branch Breaks Ground:**

Watch out for the groundbreaking ceremony at our upcoming Dalton Branch, set to feature convenient drive-thru lanes. Located off the city's north bypass on Vista Drive, this new branch will not only redefine accessibility but also cater to the financial needs of our members in and around Dalton.

### **Branch Upgrades Across the Board:**

Our commitment to enhancing your banking experience extends beyond new branches. Prepare for a complete remodel of the Fort Oglethorpe Branch, featuring cutting-edge Interactive Teller Machines (ITMs) to streamline your transactions. Additionally, we're undertaking lobby renovations at the Ringgold Branch to create a more inviting and modern space for our members.
